BLANK SHEETS

Where things stand

Top of the checklist	Other Tune — Fill in the blank 3-horn parts
Phase 1 (lead + rhythm + 3-horn)	0 of 2 songs complete
Sheets that exist but are blank	16 across the library
Sheets that look unfinished	0 flagged as running short
Generated PDFs	2 song guides · 2 recordings pages · 0 horn part guides · 4 changelogs · 3 top-level
Archive	0 files preserved, nothing deleted
Inbox	0 files waiting to be filed
When it runs	every time Joel exports from StarScore Studio, or presses Run Folder Organization

This log is added to, never overwritten. If something looks wrong after an update, the entry that caused it is right here.
