TEST

Starsign original · every file in this folder starts with **TEST**

Lead sheet: **blank template**

Rhythm parts: **4 (4 blank)**

Horn arrangements: **none (+1 blank)**

What is in here

FOLDER	WHAT IT IS	CONTENTS
1 Lead Sheet	The tune itself — melody, chords and form. If you only grab one sheet, grab this.	Lead Sheet
1 Rhythm	Bass, drums, percussion, keys and guitar parts.	Drums (blank) , Bass (blank) , Guitar (blank) , Keys (blank)
3H Tpt Alt Ten	3 horns: Trumpet, Alto Sax, Tenor Sax	4 files — 3 blank
Extras	Strings, guest parts, alternate versions and anything that is not a horn or rhythm part.	Trombone
Horn Part Guides	One PDF per horn player explaining exactly how their parts differ between arrangements.	<i>none yet</i>
Update Notes 26-08-19	Per-player changelogs — what changed on your sheet, newest first.	one per band member

Sheets that exist but are not finished

These files open fine but have little or no music in them. Do not assume a part is playable just because the PDF is there.

WHERE	SHEET	PROBLEM
1 Lead Sheet	Lead Sheet	Staves and form are laid out, but no music has been written yet.
1 Rhythm	Bass	Staves and form are laid out, but no music has been written yet.
1 Rhythm	Drums	Staves and form are laid out, but no music has been written yet.
1 Rhythm	Guitar	Staves and form are laid out, but no music has been written yet.
1 Rhythm	Keys	Staves and form are laid out, but no music has been written yet.
3H Tpt Alt Ten	Alto Sax	Staves and form are laid out, but no music has been written yet.
3H Tpt Alt Ten	Tenor Sax	Staves and form are laid out, but no music has been written yet.
3H Tpt Alt Ten	Trumpet	Staves and form are laid out, but no music has been written yet.

Still to be written: a usable lead sheet, a complete rhythm section chart, a 3-horn arrangement, 1-horn versions. Ask Joel before a gig if you need one of these.
